Our Anniversary Aims are to *trumpet* our past achievements and blast out a *fanfare* encouraging new players to join us!

Forgive the puns, I fear they're the first of many..... Who is responsible for them?? Well it's Nikki, now a regular bassoon player with Ludworth & Tyneside groups, but an irregular Cobwebs participant for 20 years: playing flute, violin, trombone and singing at various workshops, concerts and residential. One of the reasons I love Cobwebs so much is the sheer variety! This special anniversary is a great excuse for us all to share our stories and celebrate our achievements. So what about you? Please answer our *clarion call* for help? (see...I warned you!)

ACTION 1 – ALL complete our survey

Please respond to The Cobweb Orchestra – Silver Jubilee Survey, which you can find [here](#).

Your responses will be used to recognise and publicise our achievements. It really will only take a few moments to answer (unless you choose to share any lengthy anecdotes!)

ACTION 2 – ALL help with publicity

If you have any publicity experience or publicity contacts please send the details through using the contact details below.

ACTION 3 – REGULAR WEEKLY GROUPS

As we get closer to the Silver Jubilee Weekend, there will be lots of things, such as fundraising, food and furniture moving, which will need attention. Start talking to other people in your group to see if there's anything you might like to do to help and we'll follow up in a future newsletter.
