

THE
COBWEB
ORCHESTRA

The Cobweb Orchestra
is a friendly, open-access and multi-award winning organisation, with nine
amateur community orchestras spread across the North of England.

We meet weekly during term time in:
Billingham, Dalston, Dipton, Durham, Morpeth,
Spennymoor, Tebay, Tyneside, and York

Beyond our weekly meetings, there is also a full and varied programme of
study days, residentials and concerts throughout the calendar year.

Anyone can join in, whether you are new to music
or if you have been playing for a long time.

You might just be looking for a good excuse to
'blow the cobwebs' off your instrument after years of not playing!

No entry requirements, no auditions, everyone is welcome!
